

|TYPE: _____ |PROJECT: _____ |CATALOG#: _____

Product Features

This full-isolation driver contains an efficient LLC power supply scheme, with dimming options available upon request. In addition, it comes with over voltage, short circuit and over circuit protection to prevent any circuit damages.

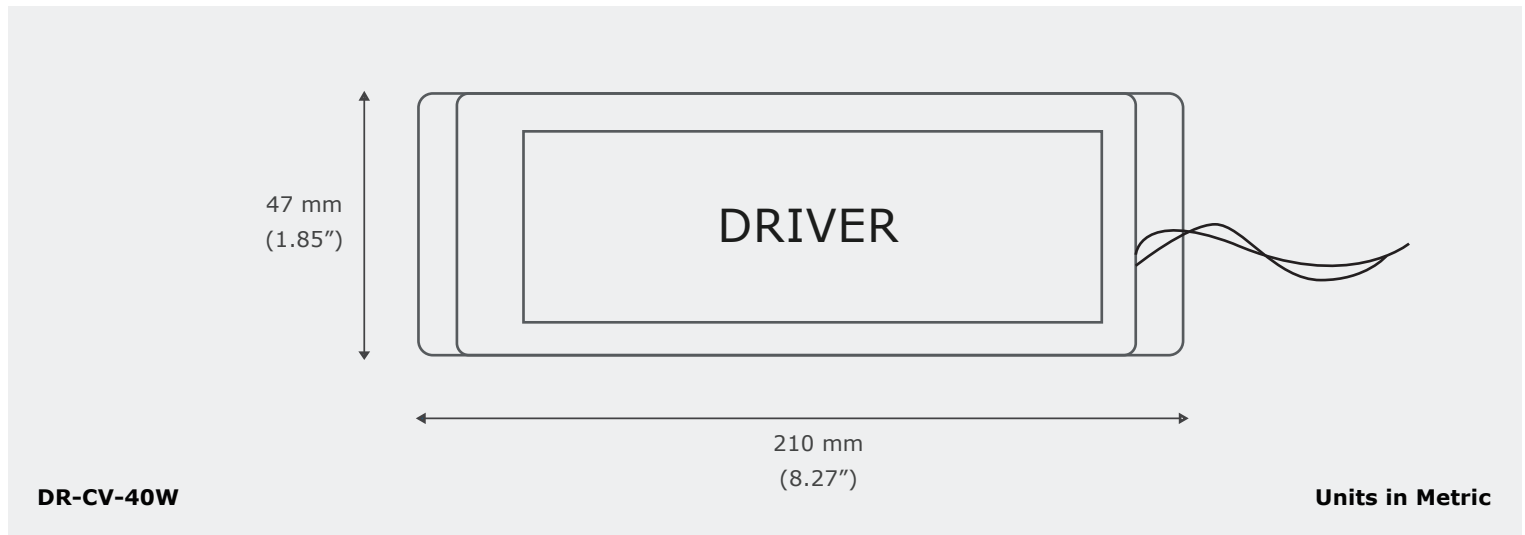

Product Specifications

Model	DR-CV-40W
Input Voltage	90-130V AC
Output Voltage	12V DC, 24V DC
Weight	603 grams
Dimensions	210 x 47 x 35 mm
Operating Temperature	-30°C ~ 45°C
