

TYPE: \_\_\_\_\_ PROJECT: \_\_\_\_\_ CATALOG#: \_\_\_\_\_

## Product Features

This full-isolation driver contains an efficient LLC power supply scheme, with dimming options available upon request. In addition, it comes with over voltage, short circuit and over current protection to prevent any circuit damages.

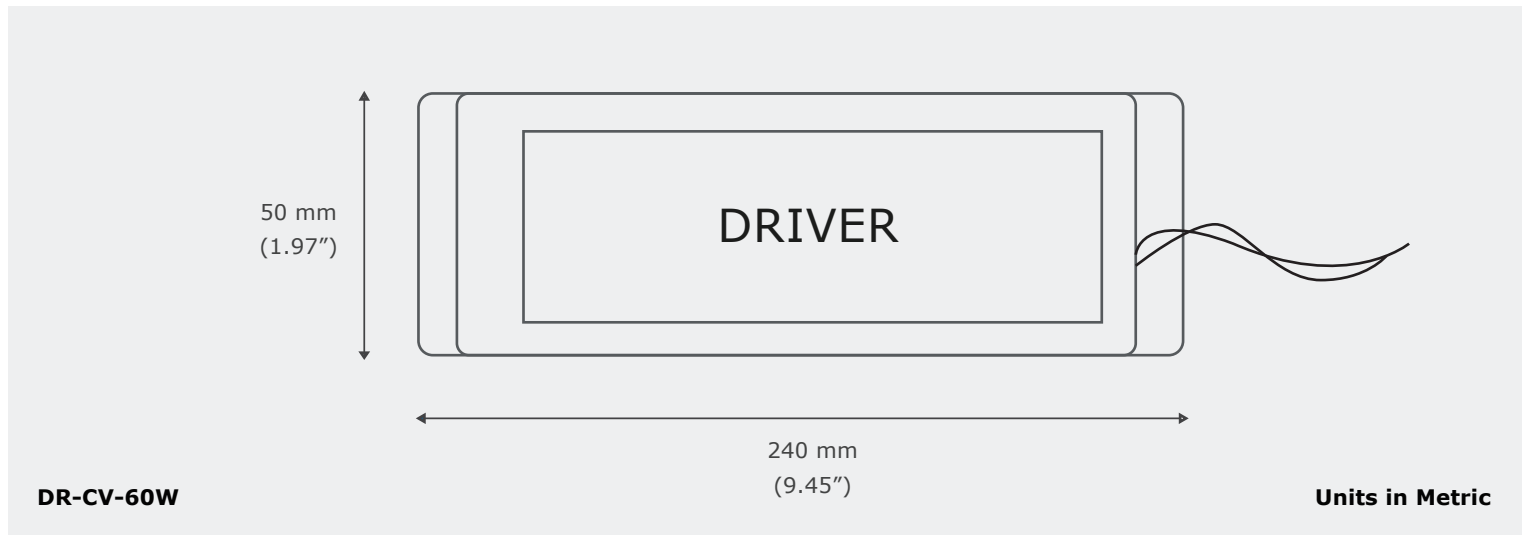

## Product Specifications

Model	DR-CV-60W
Input Voltage	90-130V AC
Output Voltage	12V DC, 24V DC
Weight	776 grams
Dimensions	240 x 50 x 35 mm
Operating Temperature	-30°C ~ 45°C
