

Product Features

GH-CL-1331 is a LED ceiling fixture which is suitable to install in outdoor and wet locations. Its body is made of aluminum with opal PC diffuser and the light is equipped with line voltage dimming feature.

Product Specifications

Model	GH-CL-1331
Lumen Output	1260 lm
Power Consumption (W)	18 W
Efficacy	70 lm/W
Input Voltage	120-277V AC
Colour Temperature (CCT)	2700K, 3000K, 3500K, 4000K, 5000K
CRI	Ra80
IP Rating	IP54
Dimensions	Ø 280 x 63 mm
