

TYPE: PROJECT: CATALOG#: LINEAR LED HIGHBAY

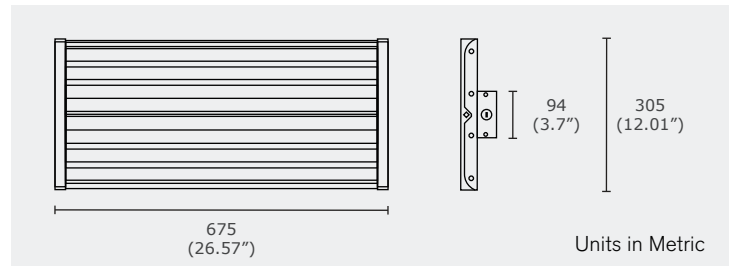

Product Features

GI-HBL is linear LED highbay with high luminous efficacy & quality lighting and excellent energy savings. This light is made of alloy + tempered glass & perfect T5 high bay replacement.

Technical Drawing

Product Specifications

Model	Lumen Output	Power Consumption	Efficacy	Input Voltage	Colour Temperature	Beam Angle
GI-HBL	11250lm	90W	125W/lm	120-347V AC	4000K,5000K	80°X100°, 30°X100°, 60°X120°
	13750lm	110W				
	16875lm	135W				
	20625lm	165W				
	27500lm	220W				
	37500lm	300W
